The scholarship will provide the opportunity to receive the very best international education at Wellington College China. It is hoped the scholars will become a new generation of pillars within the society, contributing to China and displaying a global mindset, indeed, to truly realise the spirit of a Shuping Scholarship.

### AWARDS PLAN

As the highest-level scholarship programme in Wellington College China, this scholarship will be available to newly enrolled successful applicants from Chinese working-class families currently in Grade 9 (UK Year10) who will join Huili School Hangzhou as a Grade 10 (UK Year11) pupil in August 2024.
