Gifted and Talented Programme

Introduction

The **Gifted and Talented Programme** is designed to support and advance pupils' abilities through bespoke opportunities and classes in addition to their core curriculum. Acceptance to this programme may lead to a scholarship for a very select few. Applications for the Gifted and Talented Programme are open to pupils in Years 7-13.

The Gifted and Talented Programme is for pupils who have demonstrated significant talent in their discipline and have made a noteworthy contribution to the school through their abilities. These pupils will be the leaders in Academics, The Arts or Sports, serving as role models to the entire community. Pupils who do not meet the programme's requirements may be removed during the year.

Identified Primary age pupils (Years 3-6) who show exceptional ability will be tracked until they are able to join the Gifted and Talented Programme.

Gifted and Talented Programme

Requirements and How to Apply

Academics

Selected pupils from each year group are offered the opportunity to join the **Academic Gifted and Talented** Programme. These pupils will have demonstrated high levels of skill in a range of disciplines and made a noteworthy contribution to the school through their demonstrated achievements.

This programme encourages pupils to capitalise on their academic passions, to engage beyond the curriculum and use them to serve the wider school community.

Application criteria: **Academic Gifted and Talented**

- A completed application form and essay on why you want to join the Gifted and Talented Programme and your academic interest area
- Have outstanding grades that demonstrate applied ability
- CAT4 (or other benchmarking testing) results
- A portfolio of any achievements and awards won
- Interview
