## SingUp Day 2022

### “Love as our guide” by Beccy Owen

#### Verse 1

We've discovered together  
We can find our way through the darkest night.  
Overcoming together,  
We can turn our faces toward the light.

#### Pre-chorus

We're gonna trust in our own gold and goodness,  
Lighting the way home for ev'rybody:

#### Chorus

We take pride in taking love  
As our guide, as our guide.  
We take pride in growing kindness  
Deep inside, deep inside.

We take love, love, love as our guide,  
Growing kindness on the inside.  
We take love, love, love as our guide,  
Growing kindness on the inside.

#### Verse 2

With our wings we are risin',  
We're lifting ev'ry single person toward the light.  
Headin' for the horizon,  
And we are singin' like the songbird into the night.

#### Pre-chorus

We're gonna trust in our own gold and goodness,  
Lighting the way home for ev'rybody:

#### Chorus

We take pride in taking love  
As our guide, as our guide.  
We take pride in growing kindness  
Deep inside, deep inside.

We take love, love, love as our guide,  
Growing kindness on the inside.  
We take love, love, love as our guide,  
Growing kindness on the inside.

(Come on!)

#### Chant

*Yes, we take pride,  
Yes, we take pride.  
With love as our guide,  
With love as our guide.*

*Yes, we take pride.  
Yes, we take pride.  
With love as our guide,  
With love as our guide.*

#### Pre-chorus

We're gonna trust in our own gold and goodness,  
Lighting the way home for ev'rybody:

#### Chorus

We take pride in taking love  
As our guide, as our guide.  
We take pride in growing kindness  
Deep inside, deep inside.

We take pride in taking love  
As our guide, as our guide.  
We take pride in growing kindness  
Deep inside, deep inside.

We take love, love, love as our guide,  
Growing kindness on the inside.  
We take love, love, love as our guide,  
Growing kindness on the inside.
