ABOUT US

Wellington College China is a partner of Wellington College in England. It has three schools in Shanghai, all close to each other, not far from the heart of this exciting, international city. Our schools provide an outstanding education for more than 5,000 local and international children aged between 2 and 18 years old. Wellington College China are also winners of HR Asia Best Employers to work for Award, 2020.

Huili School Shanghai is Wellington's bilingual school for Chinese students, which opened in August 2018. There are now more than 1,200 pupils in Huili nursery (Early Years 1-4) and Huili School (grades 1 to 10) and last year saw the opening of our state-of-the-art high school building and the start of IGCSE courses. Over the next two years, the school is expected to grow by more than 100 pupils per year and will be offering the IBDP when our oldest pupils begin grade 11 next academic year.

Huili School combines Wellington's holistic British approach to educating the whole child, with the enduring strengths of the Chinese curriculum and focus on learning. We talk about giving our pupils the best of both worlds. Half of our lessons are in English and half in Chinese. Half of our teachers are English-speakers and half are Chinese. It is our desire to imbue every pupil with our five core values: courage, integrity, respect, kindness, and responsibility. Huili School Shanghai provides pupils access to an education rooted in the traditional values and the progressive approach to learning synonymous with Wellington College. The vision is to inspire pupils to become intellectual, independent, individual and inclusive; our Huili identity. This will be based on a model that establishes a strong understanding of the rich and deep heritage and culture of China and being Chinese, while also establishes the values, aptitudes and knowledge needed to be an effective global citizen. We aim to prepare pupils for success during and after life at the school.

Within a culture of shared vision, mutual respect, connection and belonging, open communication and inclusive practice, the teacher will form an integral part of a close team who aspire to continually develop and evolve in their personal and professional development.

Basic Information

JOB TITLE	Social Studies teacher (History / Geography)	DEPARTMENT	Academic
LOCATION	Shanghai	POSITION TYPE	Full-time
SUPERVISOR	Department Head, Head of School		
ANNUAL LEAVE	According to School Calendar		

THE ROLE:

The Social Studies Department at Huili consists of a variety of subjects. At IGCSE, students have the option of taking history, geography, global perspectives, or economics, with the majority of students choosing multiple courses due to the success of the department and Huili students' eagerness to study the humanities. The curriculum in Junior High School (KS3) is unique, with students studying both the national curriculum in history and geography, and a specially designed course 'English Social Studies' in which Huili students extend their knowledge of key areas of history, physical and cultural geography, economics, and moral philosophy, all while building the skills necessary for success at IGCSE and IBDP. This helps them bridge the gap between the national curriculum and the international courses they take in high school.

One of the key focuses of the department is to support students in developing 21st century skills, including research, critical thinking, teamwork, communication, and reflection. Observers of lessons in the department may see students passionately participating in team debates, evaluating potential courses of action to global problems, or reflecting on how their life experiences have influenced their views and how they might empathise with others who have different perspectives. Although one of the goals of the department is to produce excellent IGCSE and IBDP results, at the same time, we look to build in students the skills necessary to be successful long after they leave Huili.

The department is looking for a professional and enthusiastic educator to teach Geography and/or History to IGCSE and eventually at IBDP level. A candidate with experience in either History or Geography as well as other areas of the social sciences is preferred. Additionally, the department is looking for a collaborator who is both flexible and adaptable in their teaching approach and has skills in co-planning as well as experience with teaching bilingual students or students with EAL needs.
