## SPORTS OR MUSIC SCHOLARSHIP PROGRAMME 2024

Wellington College International Hangzhou is proud to introduce the Sports or Music Scholarship Programme to recognise outstanding achievements in sports or music.

### AWARDS CRITERIA

Sports or music scholarships, awarded as a reduction of the annual tuition fee, will be offered to successful applicants in Years 7 and above. Applicants must demonstrate the potential for leadership and a high degree of ability in their chosen field. Applicants should also exhibit:

- Music scholarship applicants must have at least five years of experience with their instrument and achieved a minimum level of ABRSM Grade 6 or above prior to their application.
- Sports scholarship applicants must demonstrate outstanding achievement in at least one sport played at Wellington (primarily football, swimming, basketball, touch rugby, or athletics) and prior experience competing at a county, regional, and/or national level when compared with UK standards.
- Applicants awarded sports or music scholarships are still required to meet Wellington's academic entry requirements.

Pupils awarded a scholarship will be expected to fully engage with every aspect of school life and the Wellington community, including participation in sports teams or performing arts activities. The Admissions Committee will determine the exact award, if granted, based on the applicant's previous sporting or music activities, relevant achievements, and an audition or trial if necessary.

### HOW TO APPLY

Pupils who would like to apply for a sports or music scholarship should submit the following documents as part of their online application to the College:

- Scholarship application
- CV summarising the applicant's sporting or music activities and relevant achievements

All external applicants will be invited to complete admissions testing and an interview as part of their applications to the College for a sports or music scholarship. Selected applicants may also be invited to an audition or trial. Pupils will be notified of a scholarship award, if granted, in the offer of acceptance.

### TERMS & CONDITIONS

Sports or music scholarships will be reviewed annually. Retention of a scholarship will be dependent upon consistent academic performance, exemplary conduct, and contributions to the College.
