

# APPLYING TO WELLINGTON

WELLINGTON COLLEGE  
INTERNATIONAL  
SHANGHAI

# WELCOME FROM ADMISSIONS

## **Dear Parents**

Welcome to Wellington College International Shanghai. Whether you have attended a College open day or conducted a school tour, virtually or in person, we hope that from your first visit to Wellington you and your child experience a vibrant school community offering progressive education of the highest quality.

We understand that choosing the right school for your child is one of the most important decisions that you make as a family. The admissions team are here to provide you with all the information you need about Wellington College in order for your family to make a fully informed choice.

This booklet complements the information that is contained in our College prospectus and website and we hope that it answers any questions that you may have about the application process. If you would like any further information during this period, please contact a member of the team.

We look forward to meeting your family and welcoming you to join our community at Wellington College International Shanghai in the near future.

**Rachel Chadwick**  
**Director of Admissions**

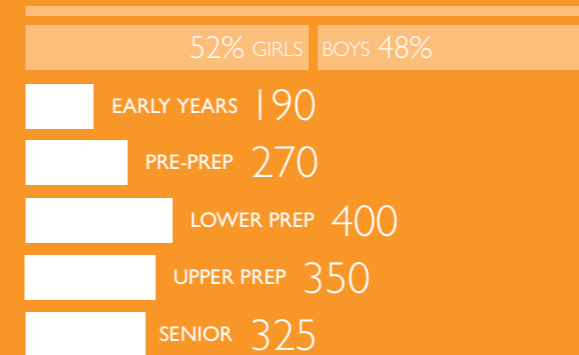

# OVERVIEW

Wellington College International Shanghai is a co-educational day school following the National Curriculum of England and is in partnership with Wellington College in England.

Wellington College is located in the Qiantan district in Pudong, at the heart of the Lujiazui New Bund development area and is easily accessible from both Pudong and Puxi.

## PUPILS

1550 WELLINGTONIANS

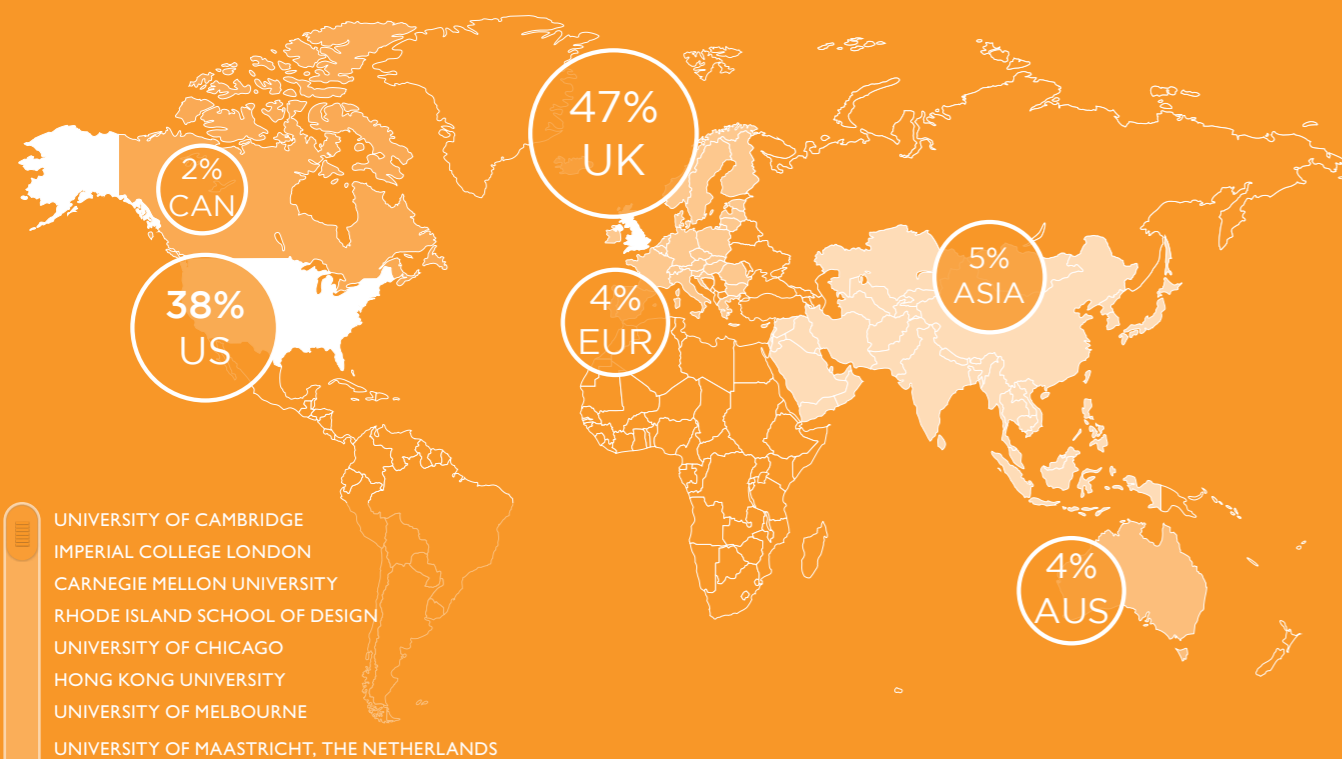

## TEACHERS

## AVERAGE CLASS SIZES

PRE-NURSERY	NURSERY	RECEPTION	YEARS 1 TO 5	YEARS 6 AND ABOVE
20	20	22	22	22
pupils with one qualified teacher supported by three dedicated teaching assistants and specialists in pre-nursery learning	pupils with one qualified teacher supported by two dedicated teaching assistants and specialists for Chinese, PE and music	pupils with one qualified teacher supported by one dedicated teaching assistant, a year group assistant and specialists for Chinese, PE and music	pupils with one teacher, each supported by one dedicated teaching assistant and specialist teachers in various subjects	pupils per class, taught by specialist teachers for every subject (noting that the majority of classes in the Sixth Form are significantly smaller)

## UNIVERSITY DESTINATIONS 2017-22

## IB STATISTICS

Highest-scoring pupil achieved a maximum score of 45 points

Average point score: 39.1

Over half of our pupils achieved 40+ points

6 pupils achieved 43+ points

## IGCSE STATISTICS

50% of grades achieved were A\*

80% of grades achieved were A\*/A

## PARTNERSHIPS, ACCREDITATIONS & MEMBERSHIPS

Partnered with Wellington College UK

Accredited by International Baccalaureate Organisation (IBO) Council of International Schools (CIS)

Member of Council of British International Schools (COBIS) Association of China and Mongolia International Schools (ACAMIS) Federation of British International Schools in Asia (FOBISIA)

**Inspired  
Intellectual  
Independent  
Individual  
Inclusive**

Wellington College is a selective school but does not select based upon academic criteria alone. In line with the ethos of the College, we aim to admit pupils with a wide range of skills and abilities. The characteristics that are considered particularly important in the selection and decision making process include:

- Academic ability, enthusiasm for arts, music, sports and service
- A willingness to work hard with a positive attitude towards learning
- An international outlook
- A desire to grow into a true Wellingtonian and develop in a range of areas by taking full advantage of the opportunities on offer at Wellington and a commitment to making a positive contribution to the Wellington community
- Aspiration to fulfil and live by the Wellington values of Kindness, Courage, Respect, Integrity and Responsibility

## **ASSESSMENT PROCESS**

### **ASSESSMENTS**

We understand that some children might find the admissions assessments a little daunting, and we will do all that we can to ensure that the tests and interviews are age appropriate, relaxed and as comfortable as possible. The details of the assessment process by year group are outlined further in this guide.

### **SELECTION**

The decision to offer a place to a pupil will be taken by the Admissions Committee, comprising of the Master, Head or Deputy of the relevant section, the Director of Admissions and, if required, a representative of the EAL/SEN department. Decisions will be made within one week of the admissions assessments.

**WeareWellington WeareWellington**

# GUIDE TO YEAR GROUP

Wellington College will place pupils in the correct year group by age (unless there are exceptional circumstances). Pupils entering Wellington from schools following a different academic year, most likely January to November, will normally be required to repeat part of the given year group. If consideration is requested to waive this requirement, the Admissions Committee will base its decision on a wide range of factors; these include the results of the admissions assessments, the pupil's age, social maturity and general proficiency in English.

	Age as of September 1	Wellington College Year Levels	Curriculum (Wellington/ UK Key Stage)	United States/ Canada Equivalent	China/ Bilingual Equivalent
Early Years	2 Years	Pre-Nursery	Curriculum follows standards set in the English Early Years Foundation Stage	Pre-K2	Early Years 1
	3 Years	Nursery		Pre-K3	Early Years 2
	4 Years	Reception		Pre-K4	Early Years 3
Pre-Prep	5 Years	Year 1	Curriculum based on English National Curriculum	Kindergarten	Early Years 4
	6 Years	Year 2		Grade 1	Grade 1
Lower Prep	7 Years	Year 3	Curriculum based on English National Curriculum	Grade 2	Grade 2
	8 Years	Year 4		Grade 3	Grade 3
	9 Years	Year 5		Grade 4	Grade 4
Upper Prep	10 Years	Year 6	Curriculum based on English National Curriculum	Grade 5	Grade 5
	11 Years	Year 7		Grade 6	Grade 6
	12 Years	Year 8		Grade 7	Junior High Grade 1
Senior School	13 Years	Year 9	Curriculum based on English National Curriculum	Grade 8	Junior High Grade 2
	14 Years	Year 10	IGCSE Programme (International General Certificate of Secondary Education)	Grade 9	Junior High Grade 3
	15 Years	Year 11		Grade 10	High School Grade 1
	16 Years	Year 12	IB Diploma Programme (Sixth Form)	Grade 11	High School Grade 2
	17 Years	Year 13		Grade 12	High School Grade 3

# HOW TO APPLY

Wellington College International Shanghai will accept applications for entry in August 2023 from 10 October 2022. There is no application deadline but as spaces are very limited in many year groups we recommend you apply early to avoid disappointment. Applications to join Wellington during the current school year are received all year round, on a rolling basis with spaces subject to availability.

## VISIT THE COLLEGE

This is optional, but highly recommended.

## COMPLETE AND SUBMIT AN ONLINE APPLICATION FORM VIA OPEN APPLY

Submit the online application, upload all available supporting documents as outlined in the application checklist and pay the non-refundable RMB 3,000 application fee.

## ADMISSIONS ASSESSMENT

For August 2023 enrolment, the admissions team will contact you from November 2022. Arrangements will then be made for assessments which will take place between November 2022 and March 2023 (or remotely if currently living outside of Shanghai). For entry prior to August 2022, the Admissions team will contact you to schedule an early assessment.

## ADMISSIONS COMMITTEE REVIEW APPLICATION AND ASSESSMENTS

Decisions to be communicated on a rolling basis. Please understand that the process may take a few weeks during the peak admissions season.

## SUCCESSFUL APPLICATIONS

Place offered by letter. To secure the place, parents are required to accept the College's terms and conditions and pay the RMB 18,000 resource fee within 5 days.

## WAITING LIST

Waiting list letter sent where no available places. Parents will be contacted once a place becomes available.

## UNSUCCESSFUL APPLICATIONS

Parents informed by letter. Application closed. A further application is permitted after 12 months.

# EARLY YEARS

Our youngest Wellingtonians are encouraged to develop their own independence and individual learning skills in stimulating and child-friendly surroundings.

In Early Years, the children follow a curriculum linked to the expectations of the English Early Years Foundation Stage Curriculum. Children spend much of their day exploring and learning through play, both indoors and outdoors. Children also have teacher-directed tasks and daily phonics, maths, literacy, and Chinese activities. We also place a focus on how children learn, including their level of well-being and engagement.

All children are taught for the majority of the day by a classroom teacher who is supported by a highly qualified teaching assistant in-class, alongside additional whole of year assistants. They will also provide the excellent pastoral care for which Wellington is justifiably renowned. Specialist teachers lead Chinese, music, PE and swimming lessons (Reception only).

Our aim at Wellington is to help every child reach his or her potential through developing a love of learning and an inquiring, creative and critical mind, which looks considerably beyond what is taught in the classroom. With this firm foundation we are assured that our children will then be able to transition to Pre-Prep on the main campus with confidence.

# EARLY YEARS ASSESSMENT PROCESS

## EARLY YEARS

The child, accompanied by their parent(s) in Pre-Nursery and Nursery, will join us for a one-hour session during which time, the teacher will assess the child on how they play and interact with children. Pre-Nursery and Nursery parents will stay with their child in a play based setting.

Children applying for a place in Reception will be encouraged to go to the class with the teacher where they will be informally assessed on their basic literacy, communication and language skills, their ability to follow instructions, some basic numeracy and their ability to express themselves through drawing.

A member of the Admissions Team or Admissions Committee will also meet individually with parents to discuss their child's developmental milestones and to discuss whether their child is ready to join Wellington.

Prior to joining us in Early Years, each child needs to have reached certain developmental milestones, as seen on the right.

### Pre-Nursery

- Toilet trained or preparing to be so
- Able to wash hands independently
- Can dress and undress with help
- Awareness of hygiene, including blowing own nose
- Can use a spoon and fork to eat independently
- Can use a cup and straw for drinking

### Nursery

- Toilet trained
- Able to wash hands independently
- Can dress and undress with help and can put on their coat independently
- Awareness of hygiene, including blowing own nose
- Ability to use a spoon and fork and begin to use a knife independently
- Can use a cup and straw (children in Nursery should not be fed a bottle or use a dummy)
- Children must be accustomed to walking, including up and down stairs independently
- Can adapt to new surroundings and new people
- Can hold a pen and draw simple shapes
- Can express themselves in the present and occasionally in the past tense (in their native language)

### Reception

- Toilet trained
- Able to wash hands independently
- Can dress and undress independently
- Awareness of hygiene, including blowing own nose
- Can use spoon, fork and knife independently
- Can recognise their own name (this helps when identifying their own belongings – bags, coats, water bottles)
- Can climb, jump and walk up and down stairs independently
- Can draw with increasing detail
- Can express themselves using present, past and future tense (in their native language)

# PREP SCHOOL

The Wellington way of structuring the College into three parts rather than two is rare in international schools but is the tradition in independent schools in the UK. This reflects our close ties with our parent school where pupils leave their Prep School at the end of year 8 to move to Wellington College. This structure also matches significant stages in child development, ensuring that teaching styles are appropriate for all ages.

The Prep School is preparatory, not just for Senior School but for life. Our Prep Learner Profile underpins our vision of developing children into exceptional young adults. Based on the IB Learner Profile, it helps pupils cultivate learning behaviours, confidence and motivation. It consists of five main strands: Self-Management, Thinking Skills, Research Skills, Communication Skills and Social Skills. Our curriculum is everything that happens in our school. It not only challenges academically in these critical formative years before young adulthood but develops character by encouraging every pupil to find passions and skills.

We recognise that not every child is a natural academic in the classroom, but everyone has qualities to be discovered, developed and nurtured. The Wellington approach looks beyond subjects, encourages the patience and persistence which bring the ultimate successes through hard work and a refusal to give up when faced with challenges. Our school is based firmly on the values of Courage, Responsibility, Respect, Integrity and Kindness. This means that whilst our pupils will grow immensely in terms of knowledge and their ability to pass exams, they will also have wisdom which goes beyond subject knowledge. In Pre and Lower Prep the classteacher provides the consistency of support vital for our youngest pupils whilst in the Upper Prep, heads of year and tutors are the lynchpins of pastoral leadership. This unique style of education nurtures our pupils to be self-aware and self-confident. Knowing their strengths and their challenges as creative and critical thinkers they will develop the ability and confidence to contribute their service to the school community and, later, to the wider world.

Success may be measured in the short term by exam results, however the way a man or a woman lives their life is the ultimate proof. We aim to give our pupils the strong roots of skills and knowledge together with the wings of aspiration to truly achieve in life.

## PREP LEARNER PROFILE

### PREP SCHOOL CURRICULUM

An exciting and inspiring curriculum that is truly preparatory for pupils' futures

#### SELF-MANAGEMENT SKILLS

Empathetic and self-reliant with the confidence to reflect on learning through metacognitive and self-regulatory skills.

#### THINKING SKILLS

Open to different cultures, perspectives and experiences and capable of developing cultural capital relevant to their context in time and place.

#### RESEARCH SKILLS

Knowledgeable across of a range of disciplines. Curious, enthusiastic, independent and able to use research skills to plan and evaluate their learning.

#### COMMUNICATION SKILLS

Articulate and able to communicate with others. Caring, compassionate and determined to make a difference through service.

#### SOCIAL SKILLS

Risk-takers who approach uncertainty with courage, explore new ideas and demonstrate resilience in every aspect of their lives.

# PREP SCHOOL ASSESSMENT PROCESS

## YEARS 1 AND 2

Your child will attend an hour-long group session accompanied by a teacher where they will mix with the other children and participate in typical class activities. The teacher will be assessing their ability to interact with their peers, to listen, to demonstrate independent skills and respond positively to instructions. Also during the session, the class teacher will spend some one-on-one time with each child to assess their reading, writing, phonics and speaking skills.

A member of the Admissions Team or Admissions Committee will also meet individually with parents to discuss their child's developmental milestones and to discuss whether their child is ready to join Wellington.

## YEARS 3–8

The three-hour assessment comprises:

- a computer-based cognitive ability test involving various abilities such as verbal reasoning ability, non-verbal reasoning ability, spatial perception and quantitative reasoning ability
- a reading comprehension test in English
- a creative writing task
- a one-on-one session with a member of the Admissions Committee to which younger applicants should bring a meaningful object that they are prepared to talk about.

## WHAT OBJECT SHOULD MY CHILD BRING?

Children should bring a meaningful or personal object to the assessment which they will be required to discuss during the one-on-one session. By bringing an object to the session, your child will have an opportunity to talk about something that shows a little of their personality. As they can prepare for this element of the assessment, it will also alleviate some of the 'unknown' and hopefully help to calm their nerves.

There is no prescribed list of objects. We just want to hear about anything that genuinely excites and interests your child. However, please note that we are not looking for a presentation or a review of an academic portfolio.

## OVERSEAS APPLICANTS

Arrangements can be made for the entrance assessments to be carried out at the child's current school (or local testing centre). Interviews may also be conducted via online video conference.

# SENIOR SCHOOL

Building on the foundations for a happy, purposeful sense of life and a love for learning developed in the Pre-Prep and Prep Schools, our Senior School provides a place in which young people between the ages of 13 and 18 can grow intellectually, creatively, physically and morally. Our aim is that Wellingtonians leave the College equipped with the best possible examination results and valuable life skills to draw on throughout their life. This includes a kind and compassionate outlook that values others for who they are, not what they have; a true generosity of the spirit; a sense of personal integrity; and an ability to remain resilient when tested by misfortunes. We expect the best of all our pupils, and this means asking them to take ever greater personal responsibility for being organised and for being effective learners. We will also want them to take more responsibility for their relationships with one another and, increasingly, with the world beyond the school.

These aims are reflected in course material that is academically, creatively and personally challenging. Our teachers work closely with pupils to develop an increasingly analytical and critical relationship with knowledge across the curriculum. Senior School pupils at Wellington learn the right questions to ask of their teachers, themselves and each other. Purposeful debate, imaginative twists and rigorous investigation characterise our lessons. The curriculum is complemented by an extensive programme of co-curricular activities through which all pupils can discover and explore their passions in music, sport, drama, dance, debate and so much more. From year 9, pupils embark on the 3-year Wellington Core programme which serves to broaden independent research skills, encourage a commitment to leadership and service, as well as prepare them for the rigorous IB Diploma in year 12 tying in all aspects of their learning. A highly responsive and individually focused pastoral system underpins all we do in the Senior School. Heads of year and tutors help each pupil to define their own meaningful goals and the steps needed to reach them. Working in a close partnership with parents, they offer the guidance, care and belief that all young people need as they progress from adolescence to young adulthood.

Between the ages of 14 and 16, our pupils study a broad range of IGCSE courses designed to equip them with a high level of knowledge and understanding across the areas of languages, sciences, mathematics, humanities and the arts. This gives pupils a clear aim, a means of understanding their own progress at a critical time in their education, and a solid platform for even more demanding study in the Sixth Form. For our pupils, the peak occurs in the Sixth Form. Here, they take on the challenges of the International Baccalaureate Diploma Programme (IBDP). A wide-ranging and challenging programme of study, this involves six academic subjects together with compulsory elements including an Extended Essay, and the study of the Theory of Knowledge.

The IB commands a reputation among universities across the world as a mark of distinction. Potential university students with an IB Diploma have proved they not only have the academic standing needed to attend elite institutions but also commitment, organisation and resilience that professions and employers demand. Our University Guidance Programme begins in the very first weeks of year 9 and is proven to help pupils access their first-choice university. With offers from top-ranked universities in the UK, including Cambridge, Imperial College and LSE as well as some of the best US colleges, including the University of Chicago, Berkeley and NYU, we are proud of the destinations Wellingtonians go upon graduation.

# SENIOR SCHOOL ASSESSMENT PROCESS

## YEARS 9 and 10

The three-and-a-half hour assessment comprises:

- a computer-based cognitive ability test involving various abilities such as verbal and non-verbal reasoning, spatial perception and quantitative reasoning
- an English comprehension and creative writing task
- an interview with the Head or Deputy Head of the Senior School.

## YEAR 11

Applicants for enrolment in year 11 will be considered on a case-by-case basis.

## YEAR 12

The three-and-a-half-hour assessment comprises:

- a computer-based cognitive ability test involving various abilities such as verbal and non-verbal reasoning, spatial perception and quantitative reasoning
- an English comprehension and creative writing test
- an interview with the Head or Deputy Head of Senior School or the Head of IB.

The applicant will need to provide predicted IGCSE grades from their current school and copies of exam certificates will need to be provided upon receiving results.

## OVERSEAS APPLICANTS

Arrangements can be made for the entrance assessments to be carried out at the child's current school (or local testing centre). Interviews can be completed via Skype.

# CO-CURRICULAR ACTIVITIES (CCA)

Co-curricular activities (CCAs) provide an exciting opportunity for Wellington pupils to explore new activities, cultivate new interests and develop a variety of skills and values. Within the Prep School, the CCAs are organised for pupils across the range of year groups, allowing our pupils to connect and make friends with children of different ages. The annual tuition fees include participation in the CCAs (save for a small number of activities for which there is a minimal charge).

The CCA programme is compulsory for years 1, 2 and 3 on Mondays and years 2 and 3 on Wednesdays. The CCA programme for years 4 to 13 is compulsory and emphasises academic enrichment and support alongside the physical and creative activities. The programme is made up of three parts: prep sessions, enrichment and support, a combination designed to encourage academic progression, increase pastoral contact time and push pupils' capabilities to a higher level.

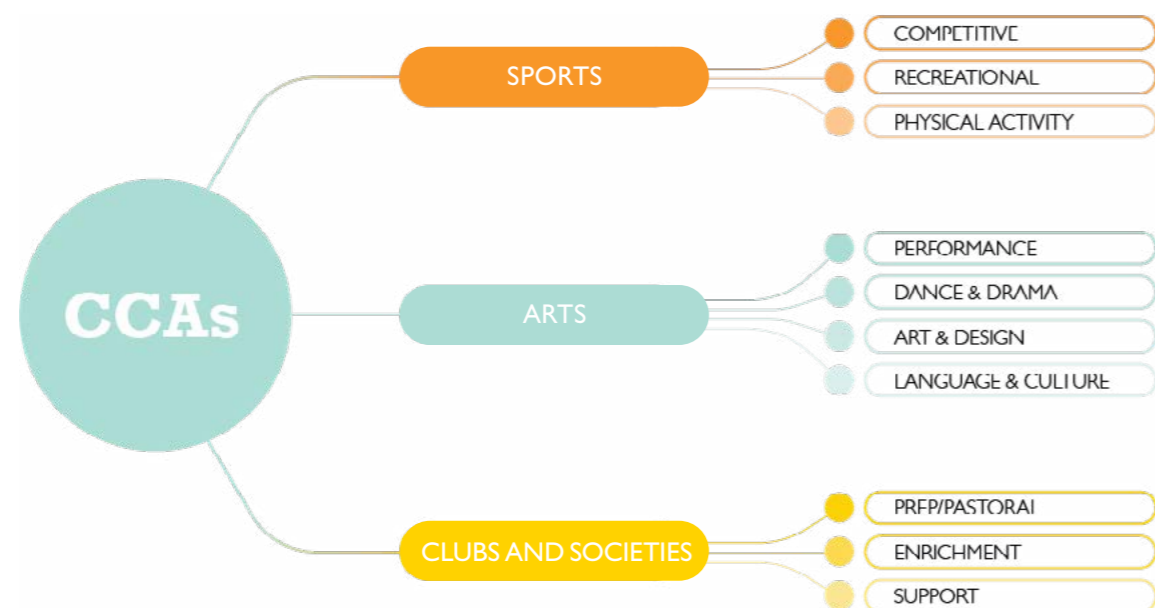

During the CCA and prep time, pupils will be involved in one of the following aspects:

- **Enrichment:** these sessions are meant as an exciting opportunity for pupils to take their level of understanding beyond that of the specification and to challenge themselves. Pupils will be invited to attend by the relevant heads of department.
- **Support:** those deemed in need of academic support will be invited to attend. The sessions will also be held during lunch periods.
- **Focus session:** to allow our sports teams and performing arts casts greater opportunities to train/rehearse together; there will be different sports/arts focuses each day. Pupils involved in focus sessions will carry out their activity during periods 7 and 8.

During the CCA block, pupils are offered a balanced option of activities focused on sports, the arts and clubs and societies. Pupils are asked to pick a broad range of activities from the physical and creative options.

Activity choices change three times per year at the start of each new term. There is no guarantee as to what activities will be offered from term to term.

On the following page are **examples** of the types of activities on offer. Some will only be available to specific age groups.

## CCA YEARS 1-5

## EXAMPLES ONLY

Sports	Arts	Clubs and Societies
Multi-Sports	Magic Clay	Science & Engineering
T-Ball	3D Art	Cold Kitchen
Kung Fu	Make it - Take it	Fun with Phonics
Football	String Ensemble	Chinese Reading & Stories
Ball Skills	Ballet	Math Games
Swim School L1 & L2	Latin Dance	Teddy Bear Passport
Swim School L3 & L4	Chinese Art	Chinese Games
Rope Games	Sewing Club	Globetrotters
Just Dance	Mindful Colouring	Chess
Touch Rugby	Musical Theatre	Robotics & Programming
Yoga & Wellbeing	Chinese Art & Craft	English Storytelling

Softball	Origami	Science Documentary
Spinning	Puzzle Club	Shakespeare Club
Swim Advanced	Sketching	Spanish Beginners
Swim Elite	Strategic Board Games	STEAM
Table Tennis	String Ensemble	STEP Maths
Tennis	Technical Theatre	TED Talks
Volleyball	Ukulele Group	Virtual Reality

Do you have an exemplary academic record? Are you a leader and role model among your fellow pupils?

## YOU MAY BE A WELLINGTON SCHOLAR.

There is no definitive Wellington Scholar, but there are some things all Wellington Scholars have in common. Wellington Scholars love learning for its own sake. They exemplify the spirit of independent study and seek to enrich themselves well beyond the curriculum. Wellington Scholars are leaders, both academically and socially. They mentor, lift up and practice kindness toward their fellow pupils. They play an active role in the Wellington Community.

Scholarship recipients are expected to be fully engaged school life, be it academics, athletics or the arts. They will be expected to take on leadership roles across the College, both in the CCA programme and in other enrichment opportunities.

Awards of up to 50%\* of annual tuition fees will be offered to applicants entering years 9 and 10 who can demonstrate a consistent and proven track record of academic excellence.

Awards of up to 100%\* of annual tuition fees will be offered to successful applicants entering the IB Diploma Programme (year 12 only). Applicants will be expected to have outstanding IGCSE results or the equivalent.

Scholars will also have an academic mentor who will create for them a bespoke academic programme involving:

- Focused seminars
- Internships and work experience placements
- Academic competitions, trips and conferences
- Coaching on an extended project (years 9–11)
- Individual tutorials

Applicants must submit a handwritten personal statement on one A4 page outlining why they believe they would make a good Wellington Scholar.

Scanned copies of a personal statement should be submitted to the Admissions Office by email to [admissions.shanghai@wellingtoncollege.cn](mailto:admissions.shanghai@wellingtoncollege.cn).

### WELLINGTON SENIOR SCHOOL

# Academic Scholarship Programme

# SCHOLARSHIPS & AWARDS

Wellington aims to foster and encourage academic, sporting, musical and performing arts talent. We recognise and reward excellence and the continued pursuit of it in the categories of academics, music, drama, dance, sports and musical theatre.

Scholars will play a significant role in the life of the College and must show a high degree of ability in their chosen field, demonstrating leadership in the encouragement of non-scholarship holding pupils.

In addition to scholarships, Wellington offers awards that provide benefits such as free tuition or coaching for pupils, rather than fee reductions. Further details on the specific requirements and awards for scholarships can be obtained from the admissions office upon request.

## HOW TO APPLY

Pupils who would like to apply for a scholarship should prepare and submit the following documents to the admissions office:

- **Application form** (including all supporting documents)
- **Academic scholarship:** see details on the left hand page
- **Music:** 200 word personal statement
- **Dance, drama and musical theatre:** 200 word personal statement
- **Sports:** a CV summarising the candidate's sporting activities and achievements over the last two years.

A preliminary review of the application will be conducted by the relevant department. Selected candidates will be invited to an assessment day, audition or trial which will be held at the College (dates to be advised).

Candidates receiving awards for music, dance, drama or sports are also required to meet Wellington's academic entry requirements.

## TERMS AND CONDITIONS

- Scholarships will only be awarded if candidates of sufficient merit present themselves.
- A scholarship is a discretionary privilege, subject to high standards of attendance, diligence and behaviour on the pupil's part. Awards will be reviewed annually. Retention of an award will be dependent upon continued excellence in performance levels, good conduct and evidence of positive contributions within the College.

# APPLICATION GUIDELINES

## Timing

Applications for entry in August 2023 begin 10 October 2022. There is no application deadline, but, as spaces are very limited in many year groups, we recommend you apply early to avoid disappointment. Applications to join Wellington during the current school year are received year-round on a rolling basis with spaces subject to availability.

## English Language

English is the primary language of instruction at Wellington, and pupils are expected to have age appropriate working knowledge and conversational use of English to ensure that they are able to access the curriculum. It is important that pupils offered a place can succeed academically, holistically and socially at Wellington. Therefore, all applicants will be assessed on their English proficiency.

## Siblings and Waiting Lists

Siblings of current pupils and those with a previous Wellington association will take precedence. If the application is successful but there are no places, the applicant will be placed on the year group waiting lists and contacted once a place becomes available. The waiting lists will not roll over each year.

## Application Costs

Wellington only charges the application fees as set out in our official fee schedule and does not charge or accept any additional application or admissions fees. You should not pay or offer any sums of money (in cash or in kind) or give or offer gifts to any individual as part of the application process.

Wellington only accepts applications directly from a family and not via any agent or similar educational establishment. Any agent or individual claiming that they have a preferential admissions relationship with Wellington should be reported to the Master's office by email to [Carmen.foo@wellingtoncollege.cn](mailto:Carmen.foo@wellingtoncollege.cn).

## Special Educational Needs (SEN)

We carefully determine whether the College resources, reasonably adjusted where appropriate, would be able to meet the pupil's educational requirements. In general terms, pupils can be offered places if they are able to participate successfully in a regular classroom with a limited amount of support. Parents need to provide all recent educational psychologist's reports/ individual education plans/ medical reports for consideration by the head of the SEN Department. All known learning support requirements must be declared, in full, at the time of application. Failure to do so may jeopardise the child's place within Wellington College.

## Bursaries

The College offers a limited number of bursaries. Bursaries are awarded on a discretionary basis following rigorous and objective means testing. Parents will be required to provide proof of their income, assets, expenditure and liabilities. The level of support varies according to parental need. Before the offer of a bursary is confirmed, an interview with the Bursar may be required. All bursary awards are confidential and are subject to annual review of parental means and may be varied depending on changing parental circumstances.

## Terms and Conditions

The College expects all its parents to be fully supportive of the school's ethos and values and, therefore, all offers of a place are subject to agreement by parents to the terms and conditions, copies of which are available from the admissions office. The terms and conditions will be sent with the offer letter and will need to be accepted in order to formally secure their child's place.

## Transferring Schools

Parents are advised to keep any current school informed of any intended move to Wellington College.

## APPLICATION CHECKLIST

All of the documents listed in the checklist must be submitted to register your child. Applications will not be processed until all documents and the application fee have been received. Families must meet the criteria in one of the six categories set out in the checklist as determined by the Shanghai Municipal Education Commission (SHMEC). Please choose the appropriate category and submit all relevant documentation in support of your application.

- A** Working parent is a foreign national with a Shanghai Alien Work Permit
- B** Working parent is a PRC national working in Shanghai. Child is born overseas (B1) or the child is born in Hong Kong SAR, China; Macau SAR, China; or Taiwan, Province of China (B2)
- C** Working parent holds a passport from Hong Kong SAR, China; Macau SAR, China; or Taiwan, Province of China
- D** SHMEC waiver letter holders—Parents and child are PRC nationals with foreign permanent residence permits. The child has over two years of experience studying in the country where they have a residence permit
- E** Working parent is a PRC national, married to a non-working, non-PRC national, residing in Shanghai legally and their child is a PRC national
- F** Parent is a PRC national and has a foreign permanent residence permit. Child is a foreign national and holds a valid residence permit issued in Shanghai

# CHECKLIST

Wellington College International Shanghai documents	(Please tick)					
	A	B	C	D	E	F
Completed and signed application form						
RMB 3,000 non-refundable application fee						
Official School Reports for the past two years in English (translated if required)						
Supporting documents for any special learning needs (if applicable)						

SHMEC Government-mandated documents	(Please tick)					
	A	B	C	D	E	F
Passport copy for pupil and both parents						
Birth certificate of the child (with notarized translation for Type B)						
Residence permit/visa issued in Shanghai for all non-PRC pupil and parents		(B1)				
Mainland Travel Permit (回乡证) and Permanent ID card (永久性居民身份证) for Hong Kong/ Macau SAR residents, or Mainland Travel Permit (台胞证) for Taiwan, Province of China residents		(B2)				
Shanghai Hukouben (上海户口本) or 12 months Shanghai personal tax payment records (一年以上上海个人纳税清单), for at least one parent
