The website is available in both Chinese and English.

2.Where can you track your order

You may check the status of your order in “My orders” by logging in to online school uniform shop.

3.Can the order be canceled?

You can cancel unpaid orders. Once payment is successful, canceling online orders are not acceptable for now.

4.Delivery Method

The items you purchase will be directly shipped to the corresponding school uniform shop or your home address.

5. Payment Methods

Online shopping center accepts Alipay, Wechat.

1. We provide replacement services for items within 30 days from the date of purchase:

2. The returned items must meet the following conditions:

- 1) Please keep the original receipt as the proof for replacement.
- 2) The original packaging needs to be kept intact; the swing tag must be present and visible; no stain or damage; not having been worn or washed; no modification or anything that would affect reselling.
- 3) We offer only replacement services for comparable items without any quality problems. E.g. short-sleeve Polo shirts can be exchanged with Polo shirts in different sizes instead of long-sleeve Polo shirt or any other items.
- 4) We don't offer replacement services for underclothes such as socks and swimming suits.
- 5) Halfrin provides paid maintenance services for man-made damage or normal wear and tear (only the labor cost and material cost will be charged). Items need to be sent back to Halfrin plant, and the time spent on repairing depends on the degree of damage. In this case, replacement services are not provided.
- 6) We don't offer replacement services for special order school uniforms if no quality problems occur.

For more details please consult school uniform shop.

Wash & care instructions

1. The dry cleaning

2. Washed by hand

The collar and cuff should not be rubbed too much and high temperature washing will make clothes shrink. After washing, stretch clothes out to dry. Please make sure to wash them without colored clothes.

High temperature washing will easily cause clothes to shrink. Thus cold water and professional wool detergent are required. After washing, stretch clothes out to dry. These two items are designed only for hand washing and dry cleaning.

Use neutral laundry detergent to wash gently by hand. Please do not twist clothes while washing.

You can use brushes with neutral laundry detergent to clean particular stains, repeat it till stains are removed. Do not use hot water, bleach or softener.

Wash & care instructions

Swimwear need to be immersed in water below 20 degrees Celsius and add a little neutral laundry detergent. 10 minutes later, you can rub them gently, rinse them and try them by hand. Afterwards, clothes can be placed in a cool place to dry out. Do avoid hot water, detergent, bleach, washing machine or direct sunlight. Do not use a dryer that may result in material damage and deformation of swimwear.

These items are not suitable for washing machine which may lead to deformation. Try to wash them by hand.

3. Clothes for washing machine

Do not use any bleaching ingredients or disinfectant detergent with bleaching ingredients.

These items can be washed by washing machine with cold water or by hand

Note:

Wash white clothes separately from colored ones.

All dark clothes should not be bleached. Please use neutral laundry detergent. Soaking time is usually about 15 minutes.

Notes for drying clothes: Do not expose clothes to the sun and place them inside out at ventilated places
